

## **FB-K4318**

### **Kraft Flatback Tape**

FB-K4318 is a 7.6 mil strong flatback tape designed primarily for splicing and tabbing applications and also performs well for packaging, masking, and seaming applications. It is engineered to perform under a wide range of humidity and temperature conditions and sticks to most surfaces. This product complies with the Federal Food, Drug and Cosmetic Act, CFR Title21, Subpart B, par. 175.105 (which covers the use of pressure-sensitive adhesives and tapes for `indirect contact' food packaging such and box sealing).

### **Application**

- Use primarily for splicing & holding applications
- Use for masking on hard to stick to surfaces
- Use for seaming applications (mainly for Kraft surfaces)
- Use for packaging applications such as carton sealing or paper pkg.

### **Features & Benefits**

- Specially formulated adhesive provides excellent adhesion to flooring materials, heavy kraft surfaces and many other surfaces
- Tape is hand tearable and easy to use
- Performs well under a wide range of humidity and temperature conditions

### **Storage & Usage Conditions**

Store tape in its original packaging away from direct sunlight and in a cool and dry area. For optimum

performance, tape should be used within 12 months of date of shipment. Tape works best when applied to a surface that is clean, dry and free of grease, oil or other contaminants.

## Sizes

1.89 in x 54.6 yds | 48mm x 50m

## Technical Data

Carrier	Kraft Paper
Adhesive	Rubber
Total Thickness	7.6 mils
Tensile	38 lbs/in
Adhesion	44 oz/in
Elongation	9.0%
Color	Light Brown
Application Temperature	41°F to 140°F (5°C to 60°C)
Service Temperature	14°F to 140°F (-10°C to 60°C)

The information cited is in good faith and has been established from sources held to be secure and reliable. The values listed are typical properties. Individual rolls may vary slightly from these values. All ECHOtape products are warranted to be free of defects at time of shipment. Many factors can affect the use and performance of a product in a particular application and the user must, by test or otherwise, determine suitability for purpose; Edelstein makes no representation or warranty, express or implied, concerning any application and usage if its products. If ECHOtape product is proved to be defective, the exclusive remedy, shall be for Edelstein to replace the defective product. ECHOtape shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including but not limited to, contract, negligence, warranty or strict liability.
