

VI-V6460

Embossed Vinyl Seaming & Patching Tape

VI-V6460 is a single-sided tape primarily used to seam and patch white vinyl insulation in metal building construction applications. It is coated with an aggressive all-temperature acrylic adhesive making it reliable across a variety of temperature ranges and reliable enough to stand up to the elements. The paper liner protects the adhesive from contaminants when you need to cut the tape to specific lengths ensuring a strong bond once applied.

Application

- Use for seaming and patching of vinyl faced insulation

Features & Benefits

- Outstanding performance across a wide variety of environmental conditions and temperature ranges
- Excellent low temperature bonding
- Works well in high heat and humidity conditions
- Easy to remove paper liner

Storage & Usage Conditions

Store tape in its original packaging away from direct sunlight and in a cool and dry area. For optimum performance, tape should be used within 12 months of date of shipment. Tape works best when applied to a surface that is clean, dry and free of grease, oil or other contaminants.

Sizes

2.83 in x 50 yd | 72 mm x 45,72 m

Technical Data

Carrier	Embossed Vinyl Vapor Retarder Film
Adhesive	Acrylic
Release Liner	Siliconized Paper
Total Thickness	4.6 mils
Tensile	10 lb/in
Adhesion	60 oz/in
Elongation	70%
Color	White

The information cited is in good faith and has been established from sources held to be secure and reliable. The values listed are typical properties. Individual rolls may vary slightly from these values. All ECHOtape products are warranted to be free of defects at time of shipment. Many factors can affect the use and performance of a product in a particular application and the user must, by test or otherwise, determine suitability for purpose; Edelstein makes no representation or warranty, express or implied, concerning any application and usage of its products. If ECHOtape product is proved to be defective, the exclusive remedy, shall be for Edelstein to replace the defective product. ECHOtape shall not otherwise be liable for loss or damages, whether direct, indirect, special, incidental or consequential, regardless of the legal theory asserted, including but not limited to, contract, negligence, warranty or strict liability.
